PROMINENT VISITOR ON MAYNE

MAYNE ISLAND, June 9.—Mr. Sidney Foster, brother of Mr. Bert Foster, Mayne Island, and a prominent member of Arlington Golf Club, London, was a very welcome player over "Hardseable" Golf Course this past week.

Banging his approach shot up to the pin, and sinking his putt for a "birdie" three, he remarked to the club captain: "This is the one hundred and sixty-first golf course that I have had the pleasure of playing over, and it isn't the worst either!"

When he left, he presented a very handsome donation to the club funds, in lieu of a cup.

He was voted on all sides a good golfer, and a good sportsman. We hope to see him again.

Captain Denroche took a team of players over to Mayne Island on the 6th instant, representative of the best golfing talent on Galiano Island.

For a young team, Captain Denroche, Jimmy Hume, and Leslie Page, did very well indeed, some of the matches going to the last green.

Mrs. Denroche's game has come along very nicely of late.

The golf course is in grand shape, a credit to Jimmy Drydale's good work, the greens especially being worthy of all commendation.

DRAMATIC ART WELL RECEIVED

Elsie McLuhan Gives Excellent Recital For United Church

Before a large audience in Stacey's Hall Elsie McLuhan gave an absorbing recital of play and character sketches on Monday evening when she appeared in recital under the auspices of the United Church board.

Mrs. McLuhan is a well known reader and impersonator and director of dramatic art at the University of Toronto and is no stranger in the district, having appeared in recital here on previous occasions.

The "Church Tea," in three scenes was Mrs. McLuhan's opening number and from the first item to the end of the program the enthusiastic audience enjoyed every minute. Her presentation of scenes in "Green Pastures," a negro's conception of heaven, "The Florist Shop" in which she took the part of half a dozen different characters, and part from "Mary of Scotland" where she portrayed Mary, Queen of Scots, pleading for her life, were all equally well received, and her conclusion, a scene from "Romeo and Juliet," and the famous monologue from "The Merchant of Venice," brought her program of dramatic numbers to a close.

Music for the program was arranged by Miss Gertrude Straight, L.R.S.M., A.T.C.M., and vocal trios were given by the Misses Jean Straight, Gertrude Straight and Gwen Hollands with accompaniment by Miss Charlebois.

The hall and stage were very attractively arranged for the concert with seasonal flowers, roses, sweet peas, etc., from the gardens of Mrs. Lowe, Patricia Bay, and Mrs. Bell, East Road and the artists presented with lovely bouquets. Mrs. McLuhan receiving a wonderful shower of roses. The bouquets were presented by the Misses Nora Deveson and Dorothy Hill and Messrs Jack Gush and Barrie Hall.

Members of this club are reminded that it is contrary to law to carry the rifle. The club have been receiving regarding the shooting at sea-gulls and ducks on the waterfront and of stray bullets landing on the premises of nearby residents. Further violations will bring prosecutions.

LEGION DANCE PROVES VERY SUCCESSFUL

About 200 Guests At Enjoyable Event Held In Mahon Hall, Ganges

GANGES, June 9.—The dance organized by the Salt Spring Island Branch of the Canadian Legion, B.E.S.L., which took place on May 24th in the Mahon Hall, Ganges, proved most successful—about 200 guests attending.

The decorations in the hall and supper room were entirely in Empire colors.

An excellent orchestra from Victoria supplied the music for the dance, which was much enjoyed by those present.

During the evening Captain M. F. Macintosh, president of the branch, sang several solos, which were well received.

T. F. Speed, who for several years has been secretary for the Legion, was presented with a silver cigarette box by the members of the organization. Captain Macintosh gave a short address and made the presentation.

Other members who spoke a few words were Gavin C. Mouat, vice-president; Lieut.-Col. Blair, who made a short speech and presented the "D" 13th Platoon, 2nd Battalion Canadian Scottish Regiment, with the shield and cup won by the boys in the Victoria Day machine-gun competition at Macaulay Range. Captain Pat Crofton received the shield and cup on behalf of the company.

INTERESTING FILMS SHOWN ON FRIDAY

The moving pictures shown in the Clubhouse last Friday evening under the auspices of the Women's Guild of St. Andrew's proved very interesting. Such interesting films as the "Minting of Money," the "Maple Industry," the "Lumber Industry," "Historical," "Quebec," and a good comedy were shown and much enjoyed by all present. Refreshments were served after a social hour enjoyed.

BUSY SUMMER FOR PENDER LADIES

Will Assist At Summer Fair, Plan Sale Of Work, Tea, And Picnic

PENDER ISLAND, June 9.—At the closing meeting of the spring term the Women's Institute which met in Port Washington Hall on Thursday afternoon, held a very busy session under the leadership of Mrs. P. H. Grimmer. While a great deal has already been accomplished there is still much to be done during the summer with teas, sale of work, catering and assistance at the annual fair, and it is hoped, one day off for a picnic. Mrs. Sutherland reported a healthy condition in the treasury, and was instructed to settle all accounts in connection with the dental clinic. It is expected that some sort of entertainment will be presented in the fall to augment this important fund. Committees for the garden party and sale of work to be held on July 22nd at Hope Bay were reminded of their duties, and Mrs. Sutherland was appointed to take charge of the weaving exhibits and demonstration at the fair, while a demonstration in rug-making was expected from Victoria for the occasion.

The secretary, Mrs. Falconer, read a letter to all Institutes from Her Majesty Queen-Mother Mary, who is an enthusiastic member of the organization.

Interesting talk on the Coast Indians of B.C., illustrating her talk with colored pictures.

Tea was served by Mrs. Watson and the session adjourned until Sept. 2nd.

INDUSTRIAL COMMITTEE PUZZLED

Many And Varied Are "Sidney Improvement" Suggestions; May Be Weeks Before Winners Are Determined

Sidney Businessmen's Association met at dinner in the banquet room of the Sidney Hotel on June 2nd for the last meeting until after the summer months and discussed and acted upon a number of problems.

Following a very enjoyable meal served by Jack Greenwood's staff of nourishment purveyors the last minutes were read and adopted.

Further the hydrant question anew with the best steps to take to secure the co-operation of the local water company, if possible, in this matter. Government officials had been interviewed and a copy of the Water Act procured from the King's Printer. Finally it was agreed that an endeavor be made to have the executive of the association meet the executive of the water company with a view of reaching an understanding on this question.

The meeting then turned its attention to the report of the fire protection committee by Everett Goddard. Mr. Goddard told of the disappointment of his committee in discovering that the Cadillac that had been given recently had both blocks, both cylinder heads and pumps split, apparently frost doing this damage last winter when the engine had not been drained. The damage, of course, was not known to the donor and was only discovered when mechanics started to recondition the motor for use as a fire truck. Not being daunted Mr. Goddard opened negotiations with the Stephen Jones estate for the purchase of a 12-cylinder Packard stored in the community. As the fire bell had chimed all the funds available Mr. Goddard purchased this Packard and at the meeting announced he was turning some over to the brigade as a gift. An outburst of applause met this statement and the chairman of finance thanked Mr. Goddard for his gift and also for his untiring efforts in countless other ways to make the brigade ever more efficient.

Mr. Goddard read off a list of some 19 fires that had occurred since the present equipment was purchased about 19 months ago. The very first fire was disastrous, the North Saanich School burning to the ground early one morning when the equipment was frozen up solid. However, the remaining 18 outbreaks of fire had been put out quickly with small damage, in many cases in less than one minute after the fire whistle had started to blow.

Another needed piece of equipment is also about to be added to the brigade, and that is an electric siren. It happened in this manner: Some months ago Mr. Goddard spotted a large electric siren for sale. He was very interested in it and he learned that \$15.00 would have been parted with for this second-hand piece of equipment that cost around \$50.00 new. Exit Mr. Goddard. Months passed and again Mr.

Street, Vancouver. Going inside he learned that \$15.00 would have been parted with for this second-hand piece of equipment that cost around \$50.00 new. Exit Mr. Goddard. Months passed and again Mr.

FLOWER AND WOOL SHOW JULY 3RD

Sports Day Planned For July 1st; Visitor Gives Interesting Talk

GANGES, June 9.—The Ganges Women's Institute held its regular monthly meeting in the committee room of the Mahon Hall, Ganges, the president, Mrs. E. Charlesworth, presiding with 14 members present.

The treasurer's report showed over \$18.00 in hand.

A standing vote of sympathy was passed to Mrs. D. Weintraub in her recent sad bereavement.

A letter of thanks was read from a member who had received assistance on the occasion of an accident and long illness in hospital.

A letter asking for the support of the Women's Institute in the matter of national health insurance was read and discussed.

Arrangements were made regarding prizes promised as awards in the various sections of the Flower and Wool Handicrafts Exhibition to be held on Saturday, July 3rd, under the auspices of the Ganges Women's Institute.

Mrs. T. F. Speed, representative of the Islands Farmers' Institute, reported that arrangements were being made to hold a sports day on July 1st, and a dance to follow in the Mahon Hall in the evening.

A very interesting talk by Miss Cash, a visitor to Salt Spring, who related her experiences while travelling in various parts of New Zealand, Jamaica, and other places of interest. She showed some beautiful photographs of scenery and lovely flowers in various districts she had visited. She also spoke of her visit to Pitcairn Island, the inhabitants and beautiful work accomplished by the natives.

Tea hostesses for the afternoon were Mrs. J. Anderson and Mrs. A. Campbell.

Goddard enters the store, siren is still in the window—but the price remained the same. Another month rolls by and yet editor drops in to interview the agent, no reduction in price. Constable Helmsing enters the picture, he believes he knows the man in the store. In Vancouver the Constable learns the name of the owner and arranges an interview and explains what we are trying to do in Sidney and the owner is so impressed that he says: "It's Sidney's for \$15.00, with 30 days to pay for it!" Wow, now? Where's the Review office?

A young lady from Patricia Bay, Miss Macdonald, hands ye editor a sealed envelope, saying, this will help to carry on the good work of the fire brigade. Enter Miss Clarke of Doon Cove, speaking in a like manner—also Mrs. Patterson of Sarris, B.C. (owner of property in Sidney) and says similar words and parts with currency of the realm. When ye editor opens the envelopes to his amazement he discovers enough funds to pay for the siren and a nice sum left over to go towards a lumber bill owing to Mitchell & Anderson. Which all goes to show that home owners are appreciative of the work of the fire brigade and its district-wide organization.

It was decided not to leave the annual canvass for fire-fighting funds to the late fall as last year in case the weather should prove none to good as was the case last fall. However, no drive will be put on until the L.O.D.E. has completed its canvass for the benefit of the children in the Solarium at Mill Bay. This year it is proposed to circulate every home in the North Saanich area, giving valuable information as regards the procedure to take when a fire is caught in its early stages, also how to turn in an alarm quickly. There missed previously in survey work will receive a form to fill in. The club members' canvass will be given, together with their phone numbers. As soon as possible all captains will be supplied with large extensometers that may be of great value if some can be saved. Months passed and again Mr.

PENDER GIRL JUNE BRIDE

Pretty Ceremony Unites Pender Island Couple; Bride Entertained At Teas, Showers, Etc.

PENDER ISLAND, June 9.—A wedding of interest to many persons on the Gulf Islands was that which took place on Tuesday, June 1st, in St. Peter's Anglican Church, Port Washington, Pender Island, when Gwendolyn Ruth, eldest daughter of Mr. and Mrs. J. S. Stogings, was united in marriage to Mr. Arthur Walton Bowerman, eldest son of Mr. and Mrs. Walton Bowerman, Hope Bay, the Rev. R. D. Porter officiating.

The bride, who was attired in an ensemble of blue in becoming shades, was escorted to the altar by her father, and attended by her sister, Miss Margaret Stogings, while the groom was supported by his brother, Leslie Bowerman. The wedding music was played by Master John Richardson, and during the signing of the register Miss Catherine Hives of Vancouver, cousin of the bride, sang very sweetly the song, "O, Promise Me." A large gathering of friends of the contracting parties witnessed the ceremony, and the church had been attractively decorated for the occasion by friends of the bride, who had been much feted during the past few weeks, and was the recipient of many useful gifts, among them being a handsome silver tea service from the Port Washington Tennis Club.

Following the service a wedding luncheon was served to immediate relatives at the home of the bride's parents. The happy couple left on the afternoon boat for Vancouver, en route to Port Alberni, where they will make their home.

Prior to the marriage of Miss Gwen Stogings, the popular bride-elect was the guest of honor at two showers, the first one being held at the home of Mrs. L. W. Auchterlonie, when over 20 girl friends and young matrons gathered to surprise her with a shower of miscellaneous gifts. Mrs. Auchterlonie was assisted by her mother, Mrs. Wight, in entertaining the party with contests, the winners being Mrs. R. Adams, Mrs. Cousineau, Miss F. Hand and Miss Marjorie Teece.

Mrs. A. H. Menzies, assisted by Mrs. E. J. Dobie, entertained also in honor of Miss Stogings, when a prettily-decorated chest of useful gifts was presented to the guest of honor. As the bride-to-be entered the wedding march was played by Mrs. Reddyhoff and six young girls with floral crowns and fairy wands marched about the table with its streamers of pastel shades and floral touches to match. Tea was served after a contest and vocal selections by Mrs. Reddyhoff, and as Miss Stogings thanked all for their kindly thoughts and gifts everyone extended a wish for her future happiness in her new home.

The Women's Guild of Saint Peter's Anglican Church presented Miss Gwen Stogings with a handsome well-filled comforter, wishing her much joy and happiness in the role of home-maker.

SIDNEY

Members of the Pioneer Society enjoyed an outing to Killarney Lake on Sunday, about 30 availing themselves of the opportunity of visiting this beauty spot.

Mr. and Mrs. G. A. Cochran and Mrs. Downey of Everett, Wash., who has been visiting here, motored up-Island over the weekend, going as far as Elk Falls. They were met in Nanaimo by Miss Babs Cochran, who accompanied them on the trip.

Mrs. Gordon Hill, who has been visiting her parents, Mr. and Mrs. Alder, "Aldergrove," returns to her home in Vancouver Thursday.

Mr. and Mrs. Scholefield of Victoria and formerly of Alberta have purchased the home on Marine Drive erected last year by Mr. and Mrs. Stemland.

Mr. W. E. Perrin arrived recently from Winnipeg and has entered upon his duties as business manager of the Rest Haven Sanitarium. Before connecting with the work in Canada, Mr. Perrin spent 14 years in India in the work of the organization.

Hearing an unusual amount of cheering and whatnot at the local ball park on Tuesday night we came to the conclusion that the local boys must be winning. In

seeking verification of the deductions arrived at we learned we were quite right—apparently the first win of the season, or something like that. The victims of this unusual display of lung-exercising was the highly touted New Method Laundry team. Yes, sir, those laundrymen never had a chance with Ray Byers on the slab for the locals. He simply used his head—"Sanitoned" the ball and even the laundrymen couldn't recognize it. Whiffing the air became the order of the day as far as the dry cleaners were concerned until out of sheer generosity Ray "unSanitoned" the ball and allowed a few bingles in order that the city boys should not be completely white-washed. Yes, sir, it apparently was some game—ending 7-3—as you can verify by calling personally on Frank L. Godfrey, sponsor of the North Saanich team—who is still stunned at this unforeseen turn of events!

MACINTOSH OFFERS HIS THANKS

Sir: May I have the courtesy of your columns to express my warmest thanks to all my supporters and friends in the election of June 1st.

I feel that our success is a vindication of the policy sponsored by Dr. Patterson and the Conservative Party. It is a matter for congratulation to note the extremely large vote polled in the Province by the Conservative Party and it augurs well for our future success. The backbone of good government is strong and constructive opposition and it is my opinion that the Conservative Party will provide such opposition in the next Legislature.

I would like, also, to offer my thanks to my opponents for the clean and sportsmanlike manner in which the campaign was conducted.

Again I repeat my remarks in your issue of June 2nd—that I represent ALL the people of The Islands and will constantly be working in their best interests.

MACGREGOR MACINTOSH.

"GOD THE PRESERVER OF MAN" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "In God is my salvation and my glory; the rock of my strength, and my refuge, is in God" (Psalms 62: 7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Behold, I come quickly, hold that fast which thou hast, that no man take thy crown" (Rev. 2: 11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man."

NEWS NOTES OF GANGES

OVER 20 YEARS AGO

from the Diary of

BERYL WEATHERELL

MAY 24TH, 1917—

The Lady Franklin Chapter, I.O. D.E., held a very successful tennis tournament at "Sandal," which was kindly lent for the occasion by Mr. and Mrs. D. Halley.

JUNE 15TH, 1917—

Our school had some excitement today when Mr. Norman Wilson's team ran away and dumped five barrels of sour buttermilk and half a wagon at the school gate!

JUNE 15TH, 1917—

We hear there was a German air raid on London and 97 people were killed. Most of them were children as a bomb was dropped on a school.

FEBRUARY, 1905—

(Extracts from the S.S.I. Church Monthly). The Rev. E. F. Wilson writes: "Our only steamboat in those days (Feb., 1894) was the 'Joan,' sailing between Victoria and Nanaimo, and calling at Burgoyne Bay and Vesuvius on Tuesdays on her way up, and at Ganges and Fulford on Saturdays on her way down. It was a motley crowd that used to assemble at the wharves on 'Boat Day,' mostly ox-wagons and saddle ponies. Mr. Booth, our member, was about the only person who had a buggy."

GOLF

The winners of last Friday's foursomes were, first, Mrs. Pow-nall and Mr. Bodkin; second, Miss Payne and Rev. J. S. A. Bastin.

During the summer the foursomes will start at 4 o'clock.

Three players having tied for the Gamble Cup the play-off was won by A. Deildal, one stroke ahead of J. C. Anderson, who captured the second prize.

The monthly medal competition played last weekend was won by S. A. Urquhart.

The regular pack meeting was held on Friday evening. David Holmwood was enrolled as a Cub. Keith Hollands received his second merit star. Keith Hollands, Douglas Peck and David Holmwood cooked their supper at the hall in order to try for a badge. The supper was alright—at least it didn't make the akela sick! The pack is reminded to try and pass some tests this following week.

ROVER NOTES

"Service"

The crew met in the den on Friday evening. Notices of motion were discussed and passed.

A large number of the crew attended the District Rover Council at Lake Killarney on Sunday afternoon and enjoyed themselves swimming in the lake afterwards. Some of them went up and camped over night. We wish to thank Mr. and Mrs. J. J. White for allowing us the use of their grounds.

INDUSTRIAL
COMMITTEE
PUZZLED

(Continued from Page One.)

brought into play before the brigade can arrive.

It is the intention of the fire protection committee to dispose of the present air-whistle when the electric siren is installed. However it is proposed to change the siren over from a battery operation to a 110-volt direct current alarm. The present whistle is similar to a number of whistles on boats and ferries coming into Sidney and it requires that Mr. Gray of the Imperial Service Station keep practically a night and day watch on the high-pressure air-tank. The electric siren will have a distinctive, penetrative sound of its own.

Mr. Goddard introduced Mr. Holmes of the Forestry Department, who addressed the members on the subject of fire-fighting and expressed keen interest in the type of equipment used locally and complimented the volunteer fire brigade on the standard of efficiency it had attained.

The subject of an annual "Firemen's Ball" was suggested as a means of augmenting the funds of the fire brigade, in addition to the annual canvass and a committee is looking into this matter.

Members of the industrial committee, George Gray and "Jock" Anderson, exhibited huge piles of entries in connection with the Sidney Improvement Contest and intimated that a considerable length of time would be required before the winners names could be announced, owing to the wide variety of suggestions, their practicability, etc. One glance at the pile of material convinced members that considerable time would necessarily elapse before all ideas could be thoroughly digested and the committee was not envied in its task. The committee has been working ever since last Wednesday without yet being able to award the prizes. Possibly by next issue we may have something to announce.

G. A. Cochran and A. W. Hollands were appointed to complete arrangements as regards the camp for the soldiers that are expected to arrive June 29th and to remain until July 4th. The site of the camp will be the property on both sides of the park on Beacon Ave. It is estimated that around 1,200 men will arrive for the annual military training, the majority from the mainland by chartered boats, landing at Sidney wharf.

Other matters dealt with included the making of Macgregor Macintosh, the new M.L.A. for the Islands, an honorary member of the association.

The port committee advised that the life buoy recently purchased by the association has been repainted and some 180 feet of suitable rope attached and that same now is in a handy position on the side of the freight shed in case of emergency.

The different yacht clubs on the coast will be advised of the excellent floats now in operation at the Sidney Wharf.

It was decided to allow the executive to carry on through the summer months instead of holding the regular meetings.

Hugh J. McIntyre presided. The following members were in attendance: H. H. Shade, George Gray, J. C. Anderson, Everett Goddard, G. A. Cochran, A. W. Hollands, Charles Ward, Tom Morgan, W. N. Copeland, J. J. White, Freeman King, William Puddle, George L. Baul, Hugh J. McIntyre.

Mr. and Mrs. MacBride of Mud Bay have come over in their launch to spend a holiday in the Gulf Islands.

Sheep-shearing is completed on Galiano and the farmers are feeling more hopeful as the price of wool is rising to a more remunerative level.

Mrs. G. A. Bell was seigneur for Alex. McDonald, Mr. George Perkins was deputy returning officer and Mr. Alf. Candy was clerk. The polling station was in Mr. Bill Holden's house.

The officers and members of the North Saanich Branch of the Canadian Legion extend their sincere sympathy to Comrade W. C. Clarke and family in their recent bereavement.
